To Paving Specifications.

COMMITTEE ACTS FRIDAY NIGHT

Bids Will be Asked for On Block
and Sheet Asphalt, Brick, Bitulithic
and Macadam—Mistake to be Cor-
rected.

By adopting without change the
plans and specifications for street
paving, as amended by the common
council, and directing the highways
and sewers committee to advertise
for bids for paving, the board of al-
dermen took a long step toward get-
ting the work of street improving
started.

The aldermen met in special ses-
sion and listened to all of the amend-
ments made by the lower branch to
the plans and specifications. There
was no objection to the changes, and
the amendments were concurred in
and the whole report approved in
short order.

The highways and sewers commit-
tee will meet Friday night and au-
thorize the clerk to insert the adver-
tisement. Bids will be asked for on
block asphalt, sheet asphalt, brick,
bitulithic and macadam, to be laid
upon all of the various streets for
which plans and specifications have
been prepared. Not half of the
streets can be paved with the \$100-
000 in hand.

Clerk Hudgins was authorized to
correct a mistake made by the litho-
graphers on the backs of the pack-
ets containing the street improve-
ment bonds for \$100,000, which were
sold to the Citizens & Marine and
First National banks. On account of
this error, the blame for which rests
entirely upon the lithographer, the
local banks have been unable to con-
summate a deal for the sale of the
bonds to New York parties.

BIG DEMOCRATIC RALLY

City Comm'tee Plans to Close Its
Campaign on October 30.

DISTINGUISHED SPEAKERS COMING

State Chairman Elyson Promises to
Send Party Leader of International
Reputation—Congressman Jones
Coming Again.

With a speaker of national reputa-
tion as the orator of the occasion, the
city Democratic committee will close
the campaign here on the night of Oc-
tober 30 by holding a big mass meet-
ing at the Academy of Music. The
committee decided upon this date
last night, because it is necessary to
notify the State chairman in advance
in order that arrangements for the
speaker may be made.

State Chairman Elyson has notified
City Chairman Perkins that a dis-
tinguished party leader will be sent
here for the closing rally.

The committee held a special meet-
ing at the city hall last night to dis-
cuss the situation and arrange for
work during the remainder of the
campaign. Present were Messrs.
Perkins, Charles, Thomas, Bolling,
Rucker, Wilkins, Thornton and Pil-
and.

It was decided to have Hon. Wil-
liam A. Jones, the party nominee for
re-election to Congress, here again at
least once before the election. The
date will be decided upon later. It
is probable that a joint debate be-
tween Mr. Jones and Mr. George
Nelms, the Republican candidate,
will take place at that time.
It was reported that Hon. Harry St.
George, speaker of the House, will be
the next few weeks to address the
East End Democratic Club.
A special committee was appointed
to raise funds for defraying the ex-
penses of the campaign in the city.
Two new members were elected for-
wards and F. O. Adams were chosen
to succeed Messrs. Spruill and Mc-
Nair, respectively.

"SOCIETY CIRCUS" TONIGHT.

Advance Sale Indicates That Large
Audience Will See the Performance.
Tonight is the night for "The So-
ciety Circus." This entertainment
will be presented at the Academy of
Music under the auspices of the John
W. Daniel Chapter, Daughters of the
Confederacy, by talented young peo-
ple of Norfolk and Portsmouth.
The advance sale of seats indicates
that the performance will be seen
by a large audience.

One of the attractive features of
the entertainment will be the appear-
ance of a number of well known
young ladies in the roles of penit-
ent, pop-corn, candy and chewing-gum ven-
ders.

TAFT MAKES SIXTEEN SPEECHES

Ends Busy Day With Voice in Bad
Condition Again.

(By Associated Press.)
FARGO, N. D., Sept. 28.—The
crowds surrounded the Taft party
wherever it stopped today in its
course over the Great Northern Rail-
road through Minnesota and North
Dakota. The 16 speeches, which Taft
delivered during the day and evening,
worked and havoc with the voice he
started out with this morning, and
tonight, it is again in a bad condi-
tion.

FINAL STEP IS TAKEN

Chamber of Commerce Reorganizes
on October 9.

N.W. OFFICIALS AND BY-LAWS

All Members, Old and New, Must Pay
Up Before They Can Participate in
Meeting—One Hundred and Thirty-
three Signatures.

The final preliminary step toward
reorganization was taken by the
Chamber of Commerce last night by
the adoption of a resolution submitted
by a special committee appointed to
look after the technicalities incident
to the rehabilitation of the body. The
resolution provides for a reorganiza-
tion meeting on the night of Octo-
ber 9, in which only members who
have paid all dues will be en-
titled to participate.

"All members" included a number
of the old chamber who sign up for
membership under the reorganization,
and those who signed up for mem-
bership under the Progress movement.
Every one of the 133 who have signed
the new membership list is ex-
pected to attend the meeting on Oc-
tober 9, and if the dues have not
been paid before that time, they will
be received by the secretary before
the meeting begins.

Chairman Dabney, of the special
membership committee submitted his
final report, showing 133 signatures
for membership.

At the reorganization meeting by-
laws will be adopted, officers elected
and any other business that may be
on the calendar transacted.

Senator Thurston Coming.

Permanent campaign headquarters
will be opened in this city by the Re-
publican district committee within
the next few days.

nomination will speak at Saluda
also.

Hon. John M. Thurston, former
United States senator and a brilliant
orator, will speak here on October
20, in the interest of the Republi-
can party, and for Mr. Wise in par-
ticular. The Academy of Music probably

MEETING OF VETERANS.

Addresses by Dr. Wilson and Mr.
Copeland.

An interesting meeting of Magru-
der Camp, Confederate Veterans, was
held at the city hall last night, and
though the stormy weather caused
the attendance to be disappointingly
small, those present enjoyed the
evening very much.

Addresses were made by Rev. Lloyd
T. Wilson, D. D., pastor of the New-
port News Baptist church, and Mr.
W. S. Copeland. Mrs. Turner Bow-
sh recited.

Awaiting Orders.

The American schooner James W.

INSPECTION OF RIFLES
TO BE GALA OCCASION

General Public Invited to Gather At
Armory and See the Company
"Make Good."

It has been decided to make the
official inspection of the Huntington
Rifles this year a sort of gala occa-
sion. The officers and men know
that they are going to make a good
showing when Col. Jo Lane Stern,
the assistant adjutant general, pays
his visit next Friday night, and they
want to let their friends and the public
see it done.

Invitations have been issued for
the occasion, and the public gener-
ally, especially the ladies, will be wel-
come at the armory.

One of the incidents of the even-
ing will be the presentation of a
gold medal to Sergeant O. B. Fisher,
who made a splendid showing at the
national rifle shoot at Camp Perry
recently. Mayor Maryus Jones will
present the medal upon behalf of a
number of friends and admirers of
the sharpshooting sergeant.

this section, and Captain Jake Sears,

How to Get Strong.

P. J. Daly, of 1247 W. Congress St.,
Chicago, tells of a way to become
strong: He says: "My mother, who
is old and was very feeble, is de-
veloping so much benefit from Electric
Bitters, that I feel it my duty to tell
those who need a tonic and strength-
ening medicine about it. In my
mother's case a marked gain in flesh
has resulted, insomnia has been over-
come, and she is steadily growing
stronger." Electric Bitters quickly
remedy stomach, liver and kidney
complaints. Sold under guarantee

DULL AND SLUGGISH

Opening Decline Was Checked by
Prompt Support.

MARKET BORDERED ON APATHY

Dealers in Stocks Still Fear Political
Developments Calculated to Preju-
dice the Interests of Corporations—
Money Market Unchanged.

(By Associated Press.)

NEW YORK, Sept. 28.—Last week's
speculatively excitement was no longer
traceable in the dull and sluggish
movement of today's stock market.
The decision of the forces control-
ling the market to give it a period of
rest was inferred from the support
which checked the opening declines.
With the check to the fall, the mar-
ket lapsed into a condition bordering
on apathy and the gains were yielded
easily towards the close. There were
movements in individual stocks but
the general list offered little of inter-
est or importance. The same could
be said of the news of the day. The
further exchanges between the lead-
ing controversies in the political
campaign, in their large attention to
affairs of great corporations were re-
garded as containing a threat of de-
velopments calculated to prejudice the
interests of corporations. The Hill
and Harriman stocks and St. Paul
and Reading maintained their perma-
nent place in the dealings, and kept
alive the conviction that the control
and leadership of the market remain-
ed in the same hands that have con-
ducted the principal operations
throughout the summer. The break-
ing of the long drought was given
credit for some of the strength shown
by the corn carriers.

The local money market was little
changed, but some increases of activ-
ity was reported from western and
southern money centers. Prime
commercial paper brought somewhat
higher rates and buyers were reported
particular as to quality.
